What is Intern Pitch?

Intern Pitch is the first Hong Kong-based online platform that matches young talents (i.e. interns and graduates) for corporates and startups based on **skills** and **personalities**.

Quick Fact

- Established in January 2020
- Headquarters in Hong Kong
- Founded by HKU and PolyU alumni
- With management consulting background in Branding, HR, Management, Marketing and PR
- 1,000+ active students (from junior to fresh graduates)
- 82% talents from QS World Ranking 100 Universities
- Corporate clients includes HKJC, LVMH Fashion Group, Catalyst, Portier Technologies, Vivid Invest, First Page Marketing, Odyssey Capital Group, etc

How it works - Internship Matching

Step 1 Submit your Request

Fill in your contact info
and request on our
official website

Est. Time ~3min

Step 2 Share your Requirements

Areas such as openings,
roles & responsibilities,
tasks nature will be
covered

Est. Time ~10min

Step 3 Upload your Job Description

If you have a job
specification, you can
upload/send it to us for
better matching quality

Est. Time ~2min

Step 4 Receive your Matching Result

Intern Pitch will send you a
list of matched candidates
based on their skills and
personality, together with
their availability for
interviews and internship

Why Intern Pitch?

(1) 100% Guarantee

You will be given a list of FIVE matched talents per one opening for selection. In case you are not satisfied, We will perform another round of matching and provide you with a new list to select the right intern. Payment will only be required upon successful matching. Otherwise, we will refund 100% deposit to you.

(2) Smart and People-oriented Matching

Candidates are assessed with our proprietary methodology and well-known psychometric assessment tools, in terms of personality, career preferences, soft/hard skills alongside their academic qualifications and work experience.

(3) End-to-end Recruitment Services

We will help you to arrange the candidate interviews based on your available date and time. We are also your trusted HR partner to negotiate the employment terms, salary packages and employee benefits with talents for you. We also act as the third-party to acquire and reflect feedback to the selected interns during their internship.

(4) Highest Cost Efficiency

No Job Ads required. Skip all the CV reviewing and selection processes. Go straight to interview and select the good-fit talents with a 20-minute registration.

Why Intern Pitch?

Intern Pitch's Competitive Advantages

Matching by Personality

We incorporated the evidence-based psychometric test with MBTI and Big Five Personality basis to assess our talents.

Proven Success Record

We successfully matched 200+ students for interviews and job offers for Fortune100, MNCs and Start-ups including LVMH Fashion Group, Hong Kong Jockey Club, Catalyst, Odessey Capital Group, Portier Technologies, First Page Digital, etc, with positive feedback

90% with Work Experience

Our talents worked in banking, consulting, finance, legal, marketing, research and more industries.
Example: BCG, Citi, EY, J.P. Morgan, Ogilvy, PwC, Tencent, etc.

80% Talents from QS100 University

It indicates you stand a very higher chance to interview and have talents with better competency joining your team

Third-party Negotiator

We act as an independent party to help you to communicate with the talents on the final agreement

OxBridge, LSE, DSE Straight 5**

Our active users include Straight-A students who are current students of top-ranked university such as Cambridge, Oxford, LSE, UCL, HKU, HKUST, CUHK, etc.

Why Personality- Job Fit Matters

Ever since 1990s, personality has been a primary variable which its impact were studied by business psychologists and HR professionals on workplace benefits.

By empirical evidence, personality is significantly correlated with a number of factors, including higher employee engagement, task performance and creativity.

Based on business and organisational psychology research

- Employee Engagement
- Task Performance
- Organisation Commitment
- Co-worker Relationship
- Innovation Behaviours

"The estimated cost of bad hires to the company was more than \$100 million." - CEO of Zappos

Our Credentials

Vivid Invest

Private Equity Firm

"It was an extremely difficult decision since the candidates were all pretty good. Happy to spread the good word about Internpitch and keep in touch. We will definitely use your platform again."

FirstPage Digital

Regional Marketing Agency

"The interns referred by Intern Pitch are obviously of higher work performance and efficiency. One of them helped us close 2 business deals in the 2-month period"

Odyssey Capital

Asset Management Company

"We are surely keen to reach out to Intern Pitch for hiring talents again. We are highly appreciative for their swift arrangement and skill-oriented matching"
